

# BOURGOGNE PINOT NOIR

## 2021

### TERROIR

Our vineyard of Bourgogne Pinot noir is made of several plots located in Premeaux-Prissey. Vines have been planted between 1956-1965. Grapes are receiving the exact same care as the others grapes classified in Premier Cru, making it a qualitative wine. Surface : 2,97 hectares. (7,18 acres)  
Climat & Soil : Clay and limestony soil with clay predominance.

### WINEMAKING

To preserve their integrity, grapes are carefully harvested and sorted out by hand.

Before beginning the alcoholic fermentation we make a cold pre-fermentation during 4 to 6 days to work on the phenolic component's extraction. Grapes are previously partially destemmed. Then full maceration lasts for 15 days during which we'll use only pigeages (punching the cap). Intensity and numbers are lead to the concentration of tannins, perfumes and colour.

Alcoholic fermentation is realized with natural yeasts.

### AGING

After maceration, free and press wines are separated for aging. Aging process is taking place 100% in traditional Burgundian 228 liters barrels during 13 months + 3 months in stainless-steel tanks.

We only use French oak coming mainly from Bourgogne, Allier and Vosges forests.

### TASTING NOTES

#### EYE

Peony-red coloration, very bright and shiny.

#### NOSE

The first nose, rather earthy, is quite characteristic of the southern part of the Côtes-de-Nuits. After a quick aeration, aromas of fresh fruits (raspberry, blackberry) are taking over.

#### PALATE

The refined and polished tanins give a great elegance to this wine. The finish stretches on a mentholated freshness.

### SERVICE & CELLARING

It can be served from now at 13-14°C or kept in cellar for 10 years.

### FOOD & WINE PAIRINGS

Our Bourgogne Pinot Noir 2021 will perfectly match with grilled red meats, duck filets or aged cheeses.
